**ORDER:**

1. In the letter 3<sup>rd</sup> read above, the District Collector, West Godavari District has sent a detailed report on the allegations of rape and murder of a student made against the management of Spruha College of Nursing, Nidadavole and reported that

2. The guest room cum waiting room is not proper for the ambience of an educational institution.
3. DME's team will verify regarding the B.Sc. Nursing Course period and records.

2. In the letter 4<sup>th</sup> read above, the Director of Medical Education, A.P., Hyderabad has reported that on 20-6-2009, surprise inspection was conducted at Spruha College of Nursing D.No.7-2-4/4, Ganapathi Center, Main Road, Nidadavole, West Godavari District between 9.00 am to 3.00 pm by Dr. A.S.Kameswara Rao, Professor of Anesthesia and senior surgeon, Govt. General Hospital, Kakinada and Dr. K.R.K.Prasad, Professor of Pathology, Osmania Medical College, Hyderabad as per the DME's office direction to find out as to whether the said institution is having the infrastructure as required by G.Os issued by the Government of Andhra Pradesh from time to time and Statutes of Dr.NTR University of Health Sciences.

3. In the letter 4<sup>th</sup> read above, the Director of Medical Education, A.P., Hyderabad has also reported that while requesting for permission to start Spruha College of Nursing, the applicant has mentioned in the proposal that the institution was having its own 200 bedded hospital (Institutions having 200 bedded hospital alone can apply for permission to start B.Sc. College of Nursing as per the relevant notification). Also, regarding clinical affiliation it was mentioned that the institution is having its own hospital i.e. Spruha Multispeciality Hospital at Nidadavolu, West Godavari District. In view of the above, the institution was accorded permission vide G.O.2<sup>nd</sup> read above to start Spruha College of Nursing. But, in the light of the present inspection conducted under dated 20-6-2009, it is reported that no such multispeciality hospital is functioning at all in the Spruha College of Nursing and the institution is seeking clinical affiliation in A.P.Vaidya Vidhana Parishad District Hospital, Rajahmundry, which is contrary to G.O.Ms.No.65, HM&FW (K2) Department, dated 24-2-2007. has submitted a copy of letter dated 11-9-2008 from the District Coordinator of Hospital Services, East Godavari District, Rajahmundry, showing that the said officer has no objection to provide clinical affiliation to Spruha College of Nursing at District Hospital, Rajahmundry, if permitted by the Government /Commissioner, A.P.Vaidya Vidhana Parishad, Hyderabad, on payment of prescribed fee. Thus, this is a case where the institution is not having faculty in accordance with G.O.1<sup>st</sup> read above read with the statutes of Dr.NTR University of Health Sciences.
